None expected.		
Rules: Describe any exceptions to the ISSA rules, clarification of rules, equipment allowed or restricted, competitors allowed or restricted, and any other special rules that will apply to this contest.		

Contest Description:

This is small event to get local racers and some out of town racers together. This event is partially a replacement for the "Shamrock" slalom of 2006 that Tom Thompson hosted in Dublin. Tom is unable to hold that event this year, and I wanted to Skaters from NC, SC, Fla., GA and AL. to have a small event to kick off the season. We'll run a single lane course with an open Jam format. Depending on the attendance of the event, we may also run a second course of Tight Slalom.

Race Event #1 description:

Fast Hybrid course, with 6, 7, and 8 foot gates. 50 cone course. Unlimited push start.
