**Spectators (expected number, other attractions for spectators, provision for, etc.)**

Expected Number of spectators is approx 15,000 over two days

**Rules: Describe any exceptions to the ISSA rules, clarification of rules, equipment allowed or restricted (e.g. 6-wheels), competitors allowed or restricted, and any other special rules that will apply to this contest.**

N/A. All rules from the ISSA guidelines will be implement. The only difference may be the number of heats each competitor gets, as we have two days, and depending on competitor interest, we may need to run more heats to fill up time.

**Contest Description:**

See attached Event Proposal

**Race Event #1 description:**

Race number 1 will be the Dual Hybrid Slalom. Two riders will race through a series of approximately 50 cones, with the 1<sup>st</sup> rider across the line advancing. Race course is roughly 200 meters long, including starting and stopping areas. We have two days to conduct this race, which gives us time to run a double-elimination bracket.
