***Contest Description:***

This years event will grow after the success of last years Nationals and World Championships. An early start has enabled us to find more financial sponsorship locally and volunteers to help with the event. This is one area we have always struggled with.

***Race Event #1 description:***

We will race on Dovercourt Ave. and hopefully return to Carling Ave. If we are unable to secure the financial support to close Carling Ave we will simply add a 2nd day on a new paved section of Byron Ave. This location also has a park running along one side. It is an excellent venue for racers and spectators as well. Locations and venues will be confirmed by mid May.
