### ***Contest Description:***

This will be the first Minnesota slalom race since the late 1970s. The hill has new pavement. It's a good hill for racing. This race is hoping to pick up where the Wisconsin Wiggle War Prime status race has left off.

### ***Race Event description:***

**Saturday morning:** hybrid slalom qualifying and dual lane racing.

**Saturday afternoon:** single lane giant slalom racing.

**Sunday morning:** tight slalom qualifying and dual lane racing.

**Sunday afternoon:** awards ceremony

Courses will be set by organizers and a couple of non-local racers early in the morning. Expect fun courses --- lots of variation – no boring straight courses.

Tight will have curves, straights, step-overs, maybe an open section in the middle to gain or lose speed, and anything else we can think up.

Hybrid will also have a variety of settings.

GS will have a variety of settings.
