### ***Contest Description:***

The La Costa Boys and The Grind are back with another Southern California Coastal event. La Costa Boys Racing has been around since the 70s, passing the tradition to today's skaters. Recent events were 2002 Bob Turner Memorial on El Fuerte, 2004 La Costa Open, 2006 Encinitas Open, 2007 La Costa Boys Open at the Pumpstation, 2011 Oceanside Open, among several outlaw Prime and Basic races.

Sk8kings have stepped up as organizational sponsors.

### ***Race Event #1 description:***

Hybrid Slalom.

Sunday morning kids and juniors race. This is mainly for the local kids we have been training. Easy hybrid "clinic" style course with start ramps.

Open (including Masters and Women) Dual Hybrid. Bottom half of the hill, in close proximity.

In La Costa Boys tradition: Everybody races. If you DQ your qualifiers, you get to race the fastest guy in the B division. We will split the field in two after qualifiers for the elimination rounds in A and B.

### ***Race Event #2 description:***

Giant Slalom.

Saturday 1-4pm. Kick start is really the way to go. You can get alot of speed going into this hill, and we can set a technical 30mph GS. Kick starting is also very exciting for the spectators because there is alot of energy created in the 100 feet above the start line.
