### **Contest Description:**

We try to begin series of Russia slalom contests. 16 of May we made our first ISSA sanctioned event with Basic status – there were 28 participants. So we are encouraged and want to try next level.

Soon we'll try to communicate with some city parks and change the place to them as more attendant place.

As for the sponsorship – last time it was longboard shop <http://x3mboardshop.ru> and <http://skatebag.ru>, hope they will support us again somehow.

### **Giant, 18 of July, description:**

Excellent small-grained concrete. ~400-500m for giant, small slope; 200-300m for hybrid-tight, gentle slope. Avenue with trees.
